We are pleased to invite you to the biennial meeting of the interest group "FT-MS and High-Resolution MS" of the German Society for Mass Spectrometry (DGMS). The interest group aims to offer a forum for those working with FT-ICR-MS and other high-resolution instrumentation such as Orbitrap or TOF instruments. It is open to all doing high-resolution and accurate mass analyses. Everyone interested in advanced mass spectrometry exploring the potential of high mass resolution and accuracy is invited.

### WHERE

Universität Rostock  
Department Life, Light & Matter  
Albert-Einstein-Straße 25/27
